

COLTON BALLET SCHOOL OF AUGUSTA

2019 Summer Workshops

www.coltonballetschool.com/summer-workshops.html

The focus of Summer Workshops is on developing and enhancing a student's technique in a relaxed, fun and creative environment. Students will tackle new challenges, taking their technical and physical abilities to the next level.

These workshops are designed for students currently enrolled in Colton Ballet School to begin their transition to the next grade level. Students not currently attending the school should contact the Office Manager to discuss placement in the appropriate grade level: kathryn.bush@coltonballetschool.com or (706) 733-5511.

Registration

Students may take individual classes but class fees are discounted when students register and pay for workshops in advance. The discount rate increases depending on the number classes per week and whether paying in advance for individual weeks, one session, or both. There is a \$25 registration fee.

There is an **online registration form**: go to the *Summer Workshops* page on the school's website, www.coltonballetschool.com, and follow the link to the form. It will calculate the total discounted fees based on the classes and weeks and/or sessions you choose to attend, along with an amount due which includes the registration fee. You can print the form and mail it with a check for the amount due to:

Colton Ballet School
PO Box 3348
Augusta, GA 30914-3348

You can also bring the printed form to register at the school, Monday–Thursday from 3–6pm. The school does not accept payment online.

Students will receive a class card which must be presented at each class. A student will not be admitted without their class card. Missed classes can be made up any time during the Summer sessions.
