## 2024 Summer Camps Summer Dance Camps begin June 3!

**Nutcracker Camps – for ages 4-6 (Session I) and ages 6-8 (Session II).** For the past 16 years, children have enjoyed the unforgettable magic of The Nutcracker in our summer camps. Led by Carlee Snyder Chastagner, students will explore in depth the choreography, music and specialties of this timeless holiday tradition as presented by the Colton Ballet Company, learning a different section of Nutcracker choreography each day. June 17-21 (Session I) and June 24-28 (Session II), 1-3pm. \$150 each session.

**Swan Lake Camps – for ages 4-6 (Session I) and ages 6-8 (Session II).** Come explore the enchanting fairy tale and classical ballet, Swan Lake, led by Carlee Snyder Chastagner. Students will explore a new character each day including choreography, making props and designing costumes, all while working on ballet technique and expanding their ballet vocabulary. June 3-7 (Session I) and June 10-14 (Session II), 1-3pm. \$150 each session.

**Choreography Camp – for students who have COMPLETED Adv Gr III-Gr IV.** The Colton Ballet School's Choreography Camp is a great one-week program for the dancer wanting to expand their choreographic repertoire and refine technique. Dancers will explore a variety of choreography while learning how to use their own creative voice. In this program we will focus on building technique as well as generating student choreography. Students will build on elements of dance learned in class and learning different tools to create original dances together as a group. At the end of the week dancers will have the opportunity to showcase their work to family and friends during a small performance to be held at the studio. July 8-12, 1-3:30pm. \$250.

**Learning a Ballet – for rising Grade II-III students.** Students will expand their formal classical ballet training and build confidence and creativity by gaining the understanding of the ins and outs of what goes into learning a ballet. Dancers will refine their technique and learn a choreographed piece specifically curated for this one-week program. Students will have the opportunity to learn the importance of staging, learning choreography and performance. At the end of the week dancers will perform the ballet piece they have learned to family and friends during a small performance to be held at the studio. July 15-19, 1-3pm. \$200.
