

COLTON BALLET SCHOOL OF AUGUSTA

2021 Summer Workshops

www.coltonballetschool.com/summer-workshops.html

The focus of Summer Workshops is on developing and enhancing a student's technique in a relaxed, fun and creative environment. Students will tackle new challenges, taking their technical and physical abilities to the next level.

These workshops are designed for students currently enrolled in Colton Ballet School to begin their transition to the next grade level. Students not currently attending the school should contact the Office Manager to discuss placement in the appropriate grade level: kathryn.bush@coltonballetschool.com or (706) 733-5511.

Registration

Students may take individual classes but class fees are discounted when students register and pay in advance. There is a \$25 registration fee.

Due to COVID-19 we ask that you register and pay in advance using the online registration form. Follow the link from the *Summer Workshops* page on the website, www.coltonballetschool.com. It will calculate discounted fees based on the classes and weeks you choose to attend, along with an amount due which includes the registration fee. Fees are significantly discounted when prepaid for the entire session. You can print the form and mail it with a check for the full amount due to:

Colton Ballet School
PO Box 3348
Augusta, GA 30914-3348

The school does not accept payment online.

When payment for summer course is received, a class card for each student will be given to the teacher. The card will remain at the studio with the teacher for the duration of the summer course. Missed classes can be made up any time during the summer session.
